### TEACHING AND OBSERVATION EXPERIENCE

#### Panchsheel Balak Inter-College

Sixteen-week B.Ed. school internship | 16 July-31 October 2026 | Ongoing

- Undertaking a 16-week school internship: teaching Social Science in Classes 6-9 and History in Class 11 on select occasions.
- Teaching English in Classes 6 and 8 as an official B.Ed. pedagogy subject.
- Assigned classes from Tuesday through Saturday; frequently handling substitution classes.
- Delivered at least 15 lessons using self-prepared lesson plans.
- Assisted in organising school events, display boards, Independence Day, Janmashtami and Sports Day activities.

#### Pehchaan The Street School

Five-week community teaching & adult literacy internship | 1 June-6 July 2026 | Completed

- Completed 80 verified hours teaching foundational literacy and numeracy to Nursery, LKG and UKG learners (ages 4-6) at Pehchaan The Street School in Morna Village, Sector 35, Noida.
- Conducted 50 hours of adult literacy and critical life-skills instruction for five community workers (security guards and sanitation cleaners) under the Government of India ULLAS / NILP initiative.
- Designed and administered a 40-mark UKG diagnostic assessment test alongside multi-sensory tracing sheets, Maths Market real-world currency simulations, and Mystery Bag vocabulary games.
- Authored and submitted a 27-page academic NTCC report (EDCW100) under Faculty Guide Dr. Neetu Mishra Shukla and Founder Akash Tandon, verified with a 6% Turnitin score.

#### Amity International School, Mayur Vihar

Five-day school observation | 24-28 November 2025 | Completed

- Observed Social Science and History lessons in Classes 6-12.
- Observed school assemblies, morning events and a student-organised PCOS/PCOD awareness programme.
- Studied classroom questioning, student engagement and management practices.
- Connected teacher-education theory with daily classroom practice.

### SELECTED TEACHING EVIDENCE

Democracy · Lesson Plan No. 6 | Class IX-B | 25 July 2026. Six-page Social Science plan with diagnostic questioning, visual resources, guided practice and an independent assessment task. Completed student work and reflection are not included.

### PROFESSIONAL LEARNING

#### Youth as Catalyst in Strengthening Women Safety | 26 November 2025

Participation in the national webinar on women's safety (Participant).

#### Rootedness in India: NEP 2020 & teacher education | 10 March 2026

Co-author and presenter on "Rootedness in India: An Analysis of NEP 2020 in Promoting IKS in Teacher Education".

#### Leveraging AI for Transforming School Education | 4 March 2026

National course on pedagogical AI integration, ethical digital tools, and educational transformation offered by CIET-NCERT under the Ministry of Education (5 hours).

**LinkedIn for Teachers · Professional Development | 7 January 2026**

Professional development webinar on educator digital visibility, teacher personal branding, and career networking.

**Gemini Certified Educator | 2026**

Professional educator certification validating proficiency in using generative AI (Google Gemini) to design inquiry-based lessons, scaffold complex concepts, differentiate student learning, and create multimodal instructional materials.
