

MOCK ELECTION

Learn About Elections Using an EVM! 🗳️

Today, we'll hold a mock election to experience and understand how real democratic elections work!

1. Nomination

Candidate Filing

Students nominate class candidates to participate in the election. Each candidate receives an election symbol and declares their platform.

🗳️ "Vote for me!" · Nomination papers filed with returning officer

2. Campaign

Speeches & Manifestos

Candidates deliver 2-minute campaign speeches, outline school improvement ideas, and convince peers through constructive dialogue.

🗳️ Classroom speeches · Respectful debate & peer questions

3. Voting (EVM)

Secret Balloting with EVM

Voters show student voter slips, enter the voting compartment, and cast their confidential ballot using an Electronic Voting Machine simulation.

🗳️ Voting booth · Blue candidate button · Beep confirmation

4. Results

Counting & Democratic Reflection

Votes are counted openly by poll officers. The class reflects on representative democracy, accepting results graciously, and civic accountability.
